

ARE YOU INTERESTED IN HELPING TO

DRAW BP's FUTURE

Come and tell us what you think at a

COMMUNITY WORKSHOP

Be a part of **drawing the future for Buena Park.**

Buena Park is developing districts for use during future city elections. This is YOUR chance to influence the future before the first pen is put to a map.

- See how the districting process works and how it affects your voting.
- Learn how to develop and submit your own district map.
- Come and share what you consider your "community."

Make your voice heard as together we "Draw the Future for Buena Park."

Refreshments will be provided.
